The screenshot shows the ScienceDirect login interface. At the top, there is a navigation bar with the ScienceDirect logo and a hamburger menu. Below this, the heading "Login via your institution" is followed by a brief explanation and a "Learn more" link. A large purple "iA" logo represents OpenAthens login. Below the logo is a search box with the instruction "Search for your institution and click the name to login." Underneath is a dropdown menu with "China CERNET Federation (CARSI)" selected. A note below the dropdown states: "Please choose one of the institutions listed below: If your institution is not listed, it is not enabled for this type of login." A list of institutions follows, with "China CERNET Federation (CARSI)" as the header and "Peking University" as the only listed option.
